

Breeding & registration statistics

Report of the year 2019

INTRODUCTION

Language to use for this report

FIFe Member

The statistics can be published with mentioning of the Member's identity

Please enter the number of registrations for each breed in the appropriate box in the "tabs": Cat 1, Cat 2, Cat 3, Cat 4, Non and XLH-XSH.

Numbers should be specified: kittens bred and registered, cats imported from other FIFe Members resp. from non-FIFe organisations.

The period for the registrations is from January 1 until December 31, both days included, irrespective the cat's day of birth.

The summary below automatically reflects the results of the entered information.

This report must be received by the General Secretary at the latest by January 31 following the year these statistics reflect.
