## ANNUAL REPORT FOR THE YEAR 2023

Dear Members,

Yet again we have had a busy year; even though the figures show a reduction in overall business from the previous year. The reduction in income, however, is not as great as the downturn from 2021 to 2022.

2023 in black, 2022 figures shown in red.

Also attached is the breakdown of registration by breed, as required by FIFe.

I would like to thank all the Clubs' Pedigree Secretaries for their hard work over the past 12 months, sometimes in difficult circumstances.

Some club members still need guidance with registration applications and in the use of the correct EMS codes. The Pedigree Secretaries are always there to help.

I am sorry to say that I still haven't been able to upgrade the registration system, but the original program is still working fine and suits me well. I will try to discuss the Cloud system with the FB webmaster to see if the new website will enable a "live" version of the database to be shared with the Pedigree Secretaries. However, it does take time.

Wishing you all well for 2024.
