IN LOVING MEMORY OF

ERIC REIJERS

FIFE GENERAL SECRETARY AND ALL BREED JUDGE
WHO SADLY PASSED AWAY ON THE 31ST JULY
2025

Eric was a cherished friend of the Viking Cat Club, and his absence is deeply felt. He was a regular judge at our September show, where he brought his discerning eye and generous spirit, his presence was as warmly anticipated as his favourite English treats—M&S sausage rolls, fish and chips, and a good curry. Eric's humour, kindness, and love for cats made him not just a judge, but a beloved part of our extended family. We remember him with fondness and gratitude, and his legacy will always have a place in our hearts and show hall.

The Show Team would like to welcome you all to this Viking Cat Club show. We would like to thank all the exhibitors who have entered the show and made the show possible. The Viking Cat Club wishes you all a successful and enjoyable show.

We are delighted to welcome our judges; may you have a truly enjoyable show with lots of wonderful cats to judge.

Welcome to FIFe

FIFe can be considered as the United Nations of Cat Federations. In fact it is a federation of national members representing, at present, 40 countries with 42 full members, but whose numbers continue to grow. These member organisations have chosen to follow the same rules with regard to the breed standards, breeding and registration, cattery names, shows, judges and student judges. This common interest has, over the years, been consolidated to create the high standard and international reputation of the FIFe.

The idea of an international European cat federation was the dream of Madame Marguérite (Miggy) Ravel, a French cat lover, who first began working towards her goal in the early thirties. Finally, at a meeting in Paris in 1949 between the Royal Cat Society of Flanders, the French Cat Federation and the Italian Cat Society, her efforts bore fruit with the unofficial founding of the Fédération Internationale Féline d'Europe (FIFE). The first FIFe show was held in Paris in 1949 at which over 200 cats were present with the exhibitors coming from France, Italy, Switzerland, Belgium and the Netherlands. By today's standards, 200 cats would be considered a very small show—one of the FIFe World Shows had more than 1500 entries with exhibitors coming from all over the world.

The Executive Board of the FIFe is the co-ordinating body on the international level. The board is made up of six people from the member countries who are elected by the members; they manage the organisation according to its statutes. There are five supporting Commissions whose responsibility is to implement the decisions of the General Assembly and the Board. These are: the Judges & Standard Commission; Breeding & Registration Commission; the Show Commission; the Health & Welfare Commission; and the Disciplinary Commission. The democratic structure of the organisation guarantees each member equal voting rights at the General Assembly, which convenes annually to discuss and vote upon the proposals of the members, to elect new officers, debate new regulations and accept common strategies.

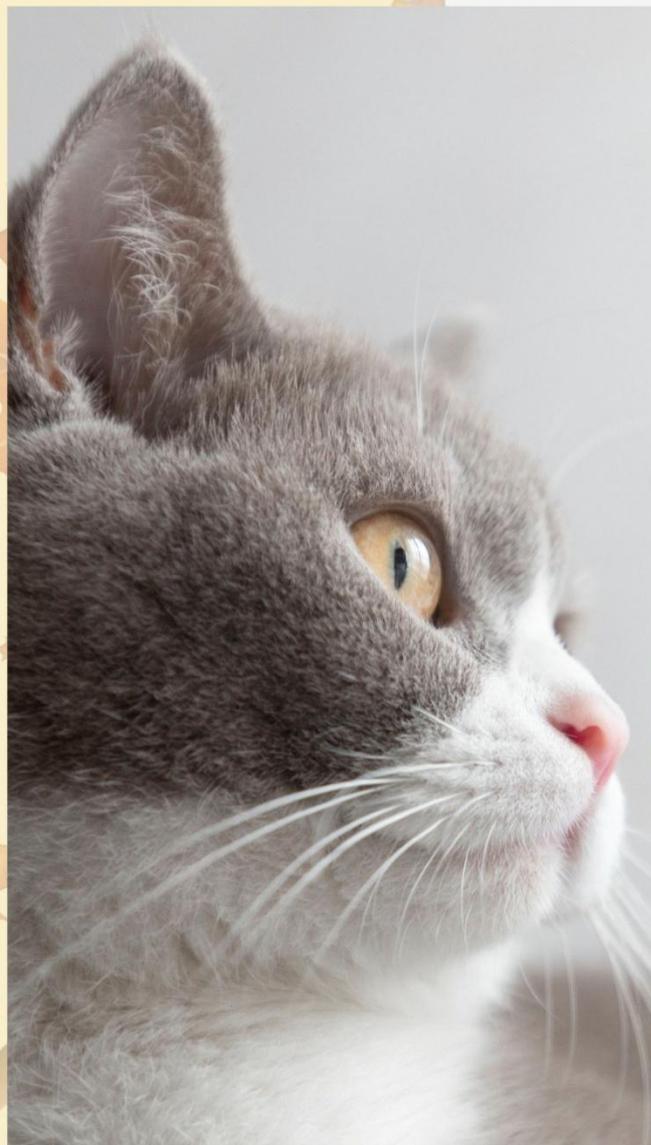

FIFe has always had good relations with all the major cat organisations of the world. Its official seat is in Luxembourg and its official languages are French, German and English. The Secretariat is administered by the FIFe General Secretary, who handles the daily affairs for all the members; these include the co-ordination of show dates, the processing of cattery names data and the administrative work of judges' examinations.

On 10th December, 1950, the new federation held its first General Assembly in Ghent, Belgium and, with the acceptance of its statutes and rules, was officially founded. To mark the occasion, Madame Ravel presented each delegate with a cat, sculptured in pink sandstone (a photo of it adorns these pages), which she had especially commissioned from a French artist, Jean Martel.

The federation grew considerably over the years. With the acceptance of the Brazilian Clube Brasileiro do Gato in 1972, the FIFE had expanded beyond Europe and thus had to change its name, which it did at the following year's General Assembly, becoming the Fédération Internationale Féline (FIFe).

Each of the national members of FIFe retains its own identity, with the FIFe guaranteeing their complete uniformity with cat registrations, shows, judges and judge training.

The accent within FIFe is on healthy and happy cats which is reflected in its rules with their emphasis on health and welfare.
